Written Testimony
 Oppose bill 52, as it defeats original purpose to maintain and encourage the look of our Hawaii. Our newbie Manoa neighbors want greenery chopped down that was there even when I moved in over 30 years. What will happen if Bill 52 passes? We will change Manoa into a 'Kahala-like' environment, all super buildings. Maybe the budget committee should work to change the variance to support condominiums into our historic area so you can make more money, instead raising the historic fees higher and higher. You decide shall we maintain parts of Hawaii, remembering ole Hawaii or become another Singapore that Kakaako is becoming.
